WORK EXPERIENCE

Barberton City Schools

May, 2024 – Present

IT Intern

Barberton, OH

- Barberton City Schools is a public school district committed to providing quality education and technical experience to students and staff.
- Provide technical support for students and staff, assisting with hardware and software issues.
- Manage device setup and maintenance, supporting network and system administration tasks.
- Rewired ethernet cables, updated smart boards, and resolved network connectivity complaints.

Walmart

Oct, 2022 – Present

Front-End Associate

Wadsworth, OH

- Wadsworth Walmart is part of Walmart Inc., a multinational retail corporation running a chain of hypermarkets offering quality goods and services.
- Provided excellent customer service by assisting with purchases and resolving inquiries.
- Maintained an organized checkout area, ensured cash handling, and supported self checkout operations.

McDonald's

2020 – 2021

Crew Member

Norton, OH

- Norton McDonald's is part of the global McDonald's Corporation, a leading fast-food chain known for its quick service and quality food.
- Provided fast and friendly customer service, took orders, and prepared food efficiently.
- Maintained a clean work environment to ensure smooth operations during peak hours.

EDUCATION

Barberton High School

2023 – 2025

College Class: Cybersecurity and Networking

Barberton, OH

Norton High School

Set to Graduate: May, 2025

High School Diploma

Norton, OH

PROJECTS

Proxmox Server

- Used a Proxmox server to manage a Windows Server 2022 virtual machine for DNS, Active Directory, DHCP, and AAA services.

Home Proxmox Server

- Made my own domain in my room with a Proxmox server running a Windows Server 2025 virtual machine for DNS, Active Directory, DHCP, and AAA services. I also maintained an Ubuntu virtual machine to run docker and access my computer via a secure VPN remotely.
